OOH Drives Visits to Auto Dealerships

Campaign Objective

Increase consumer awareness of new models and financing options to ultimately drive dealership visits and increase sales among Hispanics.

Solution

Posters and bulletins that over-indexed among Hispanics were selected. Mobile retargeting was used to send ads to consumers with Spanish language enabled phones that were exposed to the OOH campaign or visited the brand’s dealership.

Campaign Details

Timeframe: 7/17/2017-10/1/2017 with 2 week breaks in between 2-week flights (*Ran for 6 weeks total)
